Dear Parents

Re: University of NSW Assessment Program

Students from Years 2 to 6 can sit for the 2018 International Competitions and Assessments for Schools (ICAS). These competitions are run annually by the University of NSW Educational Testing Unit. They provide an opportunity for all students in Years 2-12 to gain a measure of their own achievement in an external testing situation. Each child receives a certificate of achievement and an individual student report. The assessments are offered to Year 2 in Maths, Science, Spelling and English only.

Please be advised that the tests are challenging and designed to extend students. As such, they do not entirely reflect the N.S.W syllabus.

Below is the schedule for 2018. If your child would like to participate please fill in the form and return to school with payment by Monday 12th March 2018.

For further information you can visit www.eaa.unsw.edu.au

There is also opportunity to practise online at www.eaa.unsw.edu.au/practice-online
